

Introduction to *MasteringAstronomy*

DUE: Wednesday, September 2, 2009 by 3:00 pm

HOMEWORK: (Answer questions on-line at the MasteringAstronomy website.)

This assignment is an introduction to the use of this online assignment program. You will not be graded on how well you do on this assignment, since it is just for practice, but you will be given points for having completed it.

You will need to login to the website at www.MasteringAstronomy.com

First time that you login, use the code to log in that you got with your Mastering Astronomy packet that you got with the text. If you did not get this packaged with your text, then you can register and pay online with a credit card.

The course name is VALPOA101F09

IF YOU HAVE DIFFICULTY, any questions or problems getting started, then I suggest that you come to the help session that I will hold on Tuesday, 4:30-5:30 pm in NSC 125 (rather than the usual room of NSC 119, since this room has computers available).

Remember that I also have office hours W 10-11 am and 2-3 pm.

AUTHORIZED AIDE: You are to do your own work on this assignment. If you have difficulty with a question, you may discuss it with me or with another student, but you must answer the questions yourself.

Help Session (with instructor): T, Sep 1, 4:30-5:30 pm in NSC 125.
